The unveiling of the renovated 1924-1926 Dunwich State School swimming trophy followed the presentation of badges to our leaders. Our current swimming champions, Maya Sheil and Mikayla Turuwhenua presented the trophy to Aunty Tina Thomas, an original member of the champion swimming team. It was a truly memorable moment and I would like to take this opportunity to thank Elisha Iselin for listening to the community and making this event possible.

Family of the members of the 1924-1926 swimming team had their photos taken with Aunty Tina and the shield at the high tea in the library that followed parade. Special thanks to Michele and Debbie Connell for providing the high class treats that perfectly fit this special occasion.

In conclusion we have some staffing news. Nicole Niotakis will replace Lyn East as the Health and Personal Development teacher on Fridays and Debbie Phillips graduated the Certificate IV in Work Place Health and Safety during the week. Congratulations Debbie we are proud of you.

A reminder to all parents that all medication needs to be taken to the office, with parent permission.
