Dunwich State School

“Working together to ensure that every day, in every classroom, every student is learning and achieving”

From the Principal’s Pen.....

Dunwich State School bigger and better in 2015.
Dunwich State School has linked with the latest app to make it easier for you to receive information online. Families can now keep up-to-date with the latest information from our school through the QSchools app. It’s an easy way to find vital school information including events and newsletters. The QSchools app now allows for push notifications to deliver essential information directly to a device including emergency alerts and important updates.
Find out more on the DETE apps page or follow the three steps below

Debbie Phillips updates the school website weekly and these updates will be sent to you as a notification. Special thanks to Debbie for the work she does to keep our website current and informative.

The staff and students are off and running with an excellent start to the school year. We welcome all of the new students to our school and congratulate their families on making a smart decision as our school is driven to improve the outcomes for every student.

Our First Day 2015

Yr 1 meet Yr 5/6

Year 4/5

Year 3

Year 5/6
Our first school parade for 2015.
The uniform was excellent this week. Well done to all parents for organising to send every child to school dressed as a learner in their uniform.

All students at the Dunwich State School follow the four behaviour expectations.
We are proud to learn in a safe environment. Each week we have a behaviour that is the focus of the week. This behaviour is explicitly taught in class. If a student is spotted by teachers in the playground exhibiting this behaviour, they get a Deadly prize.

Dunwich State School would like to acknowledge REDLANDS GRAPHICS for creating and donating the new DSS diaries. The students are very impressed with their new organisational diary.
