Dunwich State School on target to achieving our long term goals!

Our vision statement 2014 - 2017 is: “Working together with shared high expectations of each other, our services and our students”. Dunwich State School provides an innovative whole school curriculum, addressing the needs of every student, every day.

“EFFECTIVE OPERATIONS” Dunwich State School scores the top result at the Audit. Effective means the “Overall audit findings indicate that risk is being managed effectively, and the overall level of internal control is assessed as high. The effectiveness and efficiency of operations, compliance with applicable laws and regulations, proper supervision and compliance with policies and procedures is considered to be high”.

After a five day stringent audit the goal of high expectations for all operations was recognized as the best. Special thanks to our Business Services Manager and our Workplace Health and Safety Advisor and our Grounds/Facilities Officer for the hard work that it takes to be the best. Thank you Annie Long and her team, Debbie Phillips and Laurie Lipscombe. Well done team.

Brian said “You have something really special in your school. Calm, friendly, family, rich learning, salt of the earth staff and happy kids”. Brian gave us a challenge to meet our goal of high expectations “Continue to work on building consistency with the whole school approach to the teaching of reading”. This is a core priority for the school.

On June 3rd Dunwich State School will have a mixed gender team representing the school in the Milo T20 Blast Schools Competition. Thanks to James Dufficy and Keiron Costello for instigating and negotiating this opportunity for our students. They will be training the students in the upper school in readiness for selecting the school team for the event.

The P&C AGM is now on Tuesday 15th March from 3:15pm, all welcome.

Onwards and upwards.

Jenny Wilson
Principal

Congratulations Tyrese, Robert and Saraya for improving your reading levels in the GRG reading program.

The Week’s Behaviour Expectation is:
Music lessons have started for 2016. Students can learn percussion, guitar, flute, clarinet, saxophone, trumpet, trombone and bass guitar. These lessons are available to any students in year 4 - 6. The school is in the process of accessing funding for new instruments. If you have any queries please contact Mr Richard Cipollone at the school on Wednesdays.

Lego Needed

We are designing our new approach to STEM (Science, Technology, Engineering and Mathematics). A great resource for this higher order thinking project is the ubiquitous LEGO. If you have any LEGO at home that is no longer being used please drop it into the school office.

Thank you in advance for helping our future engineering students.

Thanks Jenny

Car Wash

Year 5 Fundraiser
This Saturday
5th March
At the High School
8am - 12 noon

Cars $10
4WD - $15
See you there!

Reading Tip:
Have your child read aloud to you
TEXT MESSAGING

Dunwich State School will be utilising text messaging software to send reminders and information to parents and caregivers. Please ensure the school has your latest contact details.
