The students were introduced to Bullying Scenarios of Physical Bullying; Exclusion Bullying and Cyber Bullying. In each of these scenes the target was harmed by the Bully and resolution is provided when the Target realizes that the bullying will not stop and that intervention by an adult is required.

The third role of the BYSTANDER was then introduced. Some of our students acted in the roles of Bystanders who watch bullying; ignore bullying or cheer on the bully. Then the scene was re-launched, this time the Bystanders take appropriate action instead, including talking firmly; walking the target away from the

scene; intervening with the bully and leaving the stage to report the bullying to a teacher.

The clear message to the students is that every child has the power to stop bullying.

The students then took the oath:

“I will not bully others
I will not stand by while others are bullied
I will report and deal with bullying whenever I see it
Because I have the Power of One”.

I encourage all parents to talk to their children about the production and these powerful and life long skills.

Jenny Wilson
All day, Every day, All week!

Students have been supplied with a brush, toothbrush, toothpaste, floss and shampoo for use in “Pamper Club” which takes place at school on Monday, Tuesday and Wednesday mornings before school. These supplies are to be used in Pamper Club so are not to be kept at home. Thanks to the P & C, Yulli Burri Ba and the Sewing Club for funding. Look forward to students coming regularly.

Elisha (Aboriginal Liaison Officer)
On Monday Maya, Matthew, Kuruwyerna, Jakobi, Ryan, Chelsea and I went to Redland Bay State School for the District Cross Country Competition. We all did very well but Kuruwyerna’s race was the most interesting. She was coming first at one stage and then dropped back to second. In the last 5 metres the person behind her sped up and so she finished third. Congratulations to all especially Kuruwyerna who came third in the district and is going to the Metropolitan East Cross Country.

By Jamella Ogilvie

Some students in Year 6/7 have now completed their course in Sonic Learning. Congratulations to those who took part. This Program improves auditory processing, working memory, attention, reading and other important skills by undertaking computer exercises.

Other students in the school will now be selected to participate in this program.
**DUNWICH STATE SCHOOL RAFFLE**
