Welcome to Term Two, 2015.

Our students know the mantra that we re-iterate on every parade.

“ALL DAY EVERY DAY ALL WEEK”. Attendance at school gives every child the very best chance of achieving their goals.

Congratulations to the families of the 75 students who achieved over 95% attendance in Term One and especially to the 24 students who had 100% attendance in Term One, 2015. All students were presented with the 95 PLUS wrist bands to wear proudly and Principal Awards for 100% attendance.

The last week of last term was a very busy time.

• http://www.goblueforautism.com.au/types/go-blue-around-qld/ I encourage everyone in our community to go the above web link and see our school front and centre in the photos of Autism Awareness Day for 2015. GO DUNWICH!!!!

• A Bike Safety day for our senior students. The students studied the theory of bike safety and then participated in practical sessions to hone their skills. Mark Bayliss from PCYC is to be congratulated for his organisation of this fantastic day. Congratulations to the six students who were presented with bikes and helmets at the end of the day. These students were rewarded for excellent participation, team work, signalling and safety skills and a positive attitude. Well done to Kassidy, Anthony, Matthew, Malaki, Nina and Karna.

• The fantastic Easter Bonnet Parade. Well done to all staff, parents and community members who made this occasion so special for our students.

• Last but certainly not least our Year 5 teacher Mrs Fiona Surawski received permanency in employment with Education Queensland. We are proud of you Fiona.

This term is NAPLAN testing for students in Years 3 and 5. Any families who have questions or concerns about NAPLAN are encouraged to call me.

See you at the Dunwich State School Anzac Ceremony on Friday 24th April at 9am.

Jenny Wilson
Principal
Mad Science Club starts after school next Monday for students in Years 4, 5 and 6. Please ensure your permission forms are returned to the office to be able to participate.

Mad Science Club for Years 1-3 will be on Tuesdays at big lunch beginning 28th April.

Health Checks
Year One students have the opportunity to have a health check with Yulu Burri Ba. Please ensure a permission form has been returned to the school as soon as possible.
Senior students participated in a bike safety day. I enjoyed going around the obstacle course & giving way. The questions were interesting too! I learnt how to check every safety feature on my bike and how to be safe on the road. By Krysta G

We were given a lesson about signs on the road. In the undercover area they had set up traffic lights and a roundabout. You had to indicate with your hand. I learnt you don’t need a helmet on the pathways. It was fun! Thanks to PCYC for this great event. By Jamella O
**ANZAC Service**
