From the Principal’s Pen.....

Next Monday, 15 university students from the Philippines will be visiting to observe how our school addresses the inclusive learning needs of our indigenous and non-indigenous students through the use of eLearning and ICTs.

Destination Dreaming.

A group of 11 girls from St Michael’s Collegiate, Hobart will be visiting our school on Thursday 18th and Friday 19th June. As part of their Destination Dreaming program, their visit to North Stradbroke Island will include a presentation to the children about Tasmania, its culture and indigenous history. We all look forward to these visits as we find they are both interesting and educational.

A healthy, well-balanced diet is very important for everyone but it is especially important for young children. I am often dismayed at the amount of unhealthy food children have in their lunchboxes. Children eat about one third of their daily food at school which is why it is important that children bring a lunch box each day that contains a healthy mix of food.

AFTER HOURS SCHOOL ABSENCE LINE
Phone 3409 6220 (it will ring 5 times)
Please say your student’s name and their year level and why they are absent. During school hours this phone will be answered by office staff.
The afterschool surfing is still happening in partnership with Yulu Burri Ba. Students have been really enjoying their experience. We are running on days when conditions are suitable. Mr Taylor notifies the school on Thursday mornings to confirm.

On Monday 1st June, nine Year 6 students attended the Cleveland District State High School LOTE (Languages Other Than English) Day. The students who attended were: Makai, Ash, Grace, Jamella, Laura, Kaitlyn, Jada, Olivia and Kyla.

The day consisted of 6 activities based on the 3 languages studied in our cluster – Japanese, Chinese and French. The students were treated to a “pain au chocolat” and “orangina” for morning tea and a multicultural buffet for lunch. The day concluded with performances from all cultures.

Here are some comments from our students:

- The day at Cleveland High was excellent. We had a buffet lunch which included spring rolls, sushi, croissants, rolls, money bags and fruit.

- The LOTE day was beautiful and fun. We made “hachimaki” (Japanese headbands) and did paper cutting from China. We learnt a French song about body parts.

- It was fun to eat traditional food from Japan, China and France. I really liked the calligraphy lesson. We had paint brushes that we dipped in ink and wrote Chinese words. The ink was in a stone pot and to get the ink you had to grind it with water. We learnt a French song about body parts. We did some disco dancing to French instructions and we cut out and glued body parts of a painting that the famous artist “Matisse” did. It was fun! – Kaitlyn

- The French, Japanese and Chinese day at Cleveland State High was fun. We started the day off with groups. We all did two French activities, two Chinese activities and two Japanese activities. They were a lot of fun. We had a croissant for Little Lunch and a buffet for Big Lunch. A big thank you to Ms. Keid for taking us on this excursion. - Jamella

- The day at Cleveland High was a lot of fun and I learnt a lot of things. It was a great day. – Kyla

- Today was really fun learning French, Japanese and Chinese. The foods were yum. I had a really good time. Thank you Ms. Keid.- Ash

- The day was really fun. We did 6 activities. We had a good lunch and morning tea. We watched a play that was in French. – Olivia

- The food was yum! - Makai

Students took part in a National Rugby League Gala afternoon held by NRL in conjunction with PCYC and Straddie Sharks. The aim of this event was to expose students to the game of rugby league, promote local football and also encourage them to be healthy and active. Thanks to the representatives from Broncos, Wynnum Manly Seagulls, PCYC and the NRL who assisted at this enjoyable event.
This competition is not about having the best team, it’s about bringing our mob together and enjoying the physical, social and emotional benefits that participating in sport and recreational activities have on our communities.
