This is only the second week in term 4 and there is already so much happening at Dunwich State School.

The Walkathon on Friday 11th October was a great success. The windy conditions at Cylinder Beach meant that the walkathon needed to be relocated and the team work that happened to solve this problem was nothing short of brilliant. Special thanks to everyone who was a part of the flurry of organisation on Friday morning. The students walked the gorge walk and main beach with perfect conditions.

Our dynamic P&C catered for morning tea and lunch and the students and staff really enjoyed the whole school swim. Gordon Tallis and his family, who were on the beach at the time, also joined our fun. What a fantastic day. Walkathon money is due into the office by Friday October 25th and the prize winners will be announced on parade on Monday October 28th.

The management team from Sibecko visited our school on Monday and were presented with a certificate of appreciation for the support that they give to the school. Elisha Iselin and Maree Goebel spoke with them about how they can support the gardening projects that the Well Being Committee and the Garden Committee (a sub-committee of the P&C) are currently working on. This school community project is really taking shape.

As this newsletter goes to print the year 6 students from Dunwich State School are joined by indigenous students from many primary schools in the Redlands on the Quandamooka Jarjums Camp. Special thanks go to everyone on the organising committee for the camp and to the cultural mentors on the camp. This is an experience that the students will never forget.
